EXPLORATION OF A MEDIUM: PASTEL ART

July 2nd through July 30th, 2010

ENTRY DEADLINE: June 4th 5:00pm

The Center for the Arts Evergreen is proud to present *Exploration of a Medium: Pastel Art*, our first exhibition devoted to exploring a single art medium. Pastel consists of pure powdered pigment, which is what is used in all colored art media, and a binder. It has a rich history in the mountain community and surrounding areas. This exhibit will showcase the diversity of artwork being produced with soft pastel. Only traditional pastel-based media on paper or board will be accepted. All accepted artwork must be suitably framed and ready for display.

This is a juried exhibition. Artists may submit up to 3 images for jury in the exhibit. The juror is Roger Ambrosier, who is a signature member of the Colorado Pastel Society and a member of the Mid-America Pastel Society. He has received numerous awards including Best of Show in the Mid-America Pastel Society 2007 National Pastel Exhibition and Best of Show in the Pastel Society of Colorado 2007 Mile-High National Exhibition. He was recently featured in a one-man exhibition at the Albrecht-Kemper Museum of Art in Saint Joseph, Missouri and his artwork has been included in American Artist Magazine.
