

SUMMERFEST

A TWO-DAY FINE ARTS & CRAFTS FESTIVAL

MUSIC, ENTERTAINMENT AND MORE!

Summerfest: July 21 and 22, 2018

Buchanan Park, Evergreen CO

Presented by Center for the Arts Evergreen, Summerfest is a two-day community fine arts and crafts festival held outdoors in beautiful Evergreen, CO. Now in its 37th year, Summerfest historically draws over 6,000 visitors from all over the Denver Metro Area. This fantastic outdoor festival features a selection of gallery-quality fine art and craft (selected through a jury process), a children's area to engage the young visitors, and performances by popular musicians to entertain all. Additional draws to the festival are Palette of Brews, a craft beer and wine tasting event, and delicious food from local vendors and food trucks. Summerfest is known for its beautiful mountain setting, dedicated art-buying crowd, and for offering the best support services for our artists and participants.
